

# Applicant Institution Proposal Submission and Award Acceptance

(1) Including all proposals and awards requiring IRS 501(c)3 designation regardless of sponsor type; those with terms not agreeable to UCFBOT as identified by OR Sponsored Programs or Contracts; or those with an identified subrecipient located in California.

(2) Federally funded clinical research, including federal flow through, regardless of sponsor type.

(3) Includes all donations for research purposes regardless of sponsor type.

Please reach out to the Office of Research or Research Foundation if you have any questions as to whether your proposal or award meet any of these requirements.

# Applicant Institution Proposal Submission and Award Acceptance

## UCF Sponsored Programs

- Verifies Applicant Institution
- Proposal review and submission for both UCFBOT and UCFRF<sup>(1)</sup>
- UCFRF Proposal short titles begin with RF:
- Subawards and subcontracts processed in accordance with established business process

## UCF Research Foundation

- Proposal review and submission for select programs<sup>(2)(3)</sup>
- Review of terms and conditions for all UCF Research Foundation proposals

(1) UCFRF will be identified as the Applicant Institution for all proposals requiring an IRS 501(c)3 designation regardless of sponsor type; those with terms not agreeable to UCFBOT as identified by OR Sponsored Programs or Contracts; or those with an identified subrecipient located in California.

(2) For WUCF-TV and WUCF-FM, UCFBOT will process proposals, and subsequent awards, in response to annual RFPs from Florida Department of State, Florida Department of Education, or Corporation for Public Broadcasting Community Service Grants. UCFRF will process all other proposals and awards for WUCF-TV and WUCF-FM.

(3) For all economic development programs under VP Partnership & Innovation, except UCF Florida SBDC, PASS will process all proposal documents and UCFRF will process all awards regardless of Applicant Institution designation.

Please reach out to the Office of Research or Research Foundation if you have any questions as to whether your proposal or award meet any of these requirements.

# Applicant Institution Proposal Submission and Award Acceptance

## Nonprofit or Foundation

### Nonprofit

- Typically funded by governments, foundations, institutions, and individuals
- Also includes universities and colleges

### Foundation

- Typically funded by corporate entities or families
